The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'PluginFrame\\Core\\Services\\Enqueue\\registerAdminStyle' and the bottom box contains 'PluginFrame\\Core\\Services\\Enqueue\\registerFrontendStyle'. On the right, there is a single gray rectangular box with a black border containing the text 'PluginFrame\\Core\\Services\\Enqueue\\registerStyle'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both source functions or classes are associated with or mapped to the target function or class.
