```
graph LR; A[updateClassInstantiation] --> C[buildNamespacedClass]; B[updateUseStatement] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'updateClassInstantiation'. The bottom box is also white with a black border and contains the text 'updateUseStatement'. To the right of these two boxes is a single, wider box that is gray with a black border and contains the text 'buildNamespacedClass'. Two blue arrows point from the right side of the top-left box to the left side of the gray box, and another two blue arrows point from the right side of the bottom-left box to the left side of the gray box.
