

PluginFrame\Core\Updater
\CustomUpdater\checkUpdates

```
graph LR; A["PluginFrame\\Core\\Updater\\CustomUpdater\\checkUpdates"] --> B["PluginFrame\\Core\\Updater\\CustomUpdater\\validateResponse"]
```

A diagram showing a call from the `checkUpdates` method to the `validateResponse` method. The `checkUpdates` box is shaded gray, and the `validateResponse` box is white. A blue arrow points from the right side of the `checkUpdates` box to the left side of the `validateResponse` box.
